A Newsletter of the Northern Kettle Moraine Nordic Ski Club

FALL 2019

President's Message

There is always a time in the fall when I find myself more interested in hiking the ski trails or venturing out on roller skis, rather than getting out on the bike. This transition also gets me thinking snow and the upcoming ski season.

I hope each of you are getting as excited and anxious about getting back out there on skinny skis as I am. All the usual preparations at Greenbush are underway, and as always I'm hopeful for lots of snow and many skiable days in the Northern Kettle Moraine this season.

This is the time to renew your membership and commitment to support the Northern Kettle Moraine Nordic Ski Club. Your support enables continued trail maintenance and grooming at Greenbush, provides opportunity for area youth to be part of an outstanding ski team, introduces young children to skiing, and most importantly, promotes the positive benefits of Nordic skiing. Dues are remaining the same. The financial contributions, the volunteer hours of service, and the excellent trail grooming provided by the members of our club are significant. It is that support combined with our productive partnership with the DNR, that make Greenbush our little piece of Nordic Heaven and one of the premier cross country ski destinations in the upper Midwest.

Be sure to make plans to attend our Annual Fall Meeting. In addition to a brief business meeting, Youth Ski Team Coach Steve Scharrer will share highlights of the 2018-19 season and provide an update on the upcoming team. Our own Jim O'Connell will then lead a presentation on the World Loppet. Jim, is a World Loppet Master Skier. The World Loppet is an international sports federation of cross-country skiing marathons, founded in June 10th 1978 in Uppsala, Sweden. The aim of World Loppet is to promote the sport of cross-country skiing, by focussing on citizen ski races around the world, and the opportunity to experience delightful world travel through cross-country skiing. The meeting will be held November 19, at the Generations Building in Plymouth, 7:00 PM (see details below).

Please use the enclosed form to renew your membership today. The Club's board of directors would also like everyone to consider an extra donation to help defray increasing costs of grooming and to prevent us from having to conduct a fund-raising activity. Remember, all dues and donations go toward club efforts to groom and maintain Greenbush Trails, to introduce others of all ages to the spirit and benefits of Nordic skiing, and to encourage physical fitness throughout our community. Please do your part.

Think snow,
Clark Reinke

Ski Trip to Telemark Dec. 1-8

Dick Roeber is again organizing a ski trip to Telemark Condominiums in Cable, WI. The dates for the ski trip are December 1-8. As an owner at Telemark, Dick can arrange accommodations for up to 30 people with a per-week or three-day special rate. For further details or to book a condo call Dick Roeber at 920-467-6054 or email dickroeber@charter.net.

Youth Ski Team Info

After much success last year, The Storm is planning on lots of snow and gearing up for another exciting season. Coach Steve Scharrer, with the assistance of many other club members, will again lead the Storm. A team organizational meeting will be held Saturday, November 2, 9-11:00 AM, at the Plymouth Fire Station. For more information on the Youth Ski Team, go to www.greenbush.usa.com.

Fall Membership Meeting
